Forecast for Wednesday 15 Nov 2023

Weather: A few showers continuing through the early hours otherwise dry with some long clear spells. Then a bright day with, especially in the east, some good spells of sunshine and while most places will be dry a few showers are possible through the morning.

Chance of cloud-free hill tops above 600m: Around 90%

Low cloud and visibility: Only small amounts of cloud expected below the summits. Away from cloud visibility very good or excellent with some good panoramic views of surrounding mountains, with any showers only giving brief and slight reductions in visibility.
